Subject: Dimock - Draft Analytical Tables for March 2012 Sampling

Hi Kelley,

As requested, here are the analytical tables for the Dimock March 2012 sampling event. Please note that these tables have been modified to reflect the changes in analysis which were made this week. Also, please keep in mind that these tables are in draft form and once they are finalized, they will be attached to a revised SAP.

Thanks,

Suddha Graves
